	<p>All About Who I Am Bilingual Book Set (Set of 6) - Paperback NC-73160</p> <p>3 years & up. Sight words are the focus of this bilingual emerging reader set. Each book has real photos! Set of 6 paperback books.</p>	1
	<p>Bilingual Icons (set of 18) NC-46874</p> <p>Bilingual Icon Carpet Squares can be used alone or combined with the Bilingual Carpet (sold separately) for matching fun. The vividly colored pictures provide the perfect way for children to learn the Spanish and English word for the image. Proudly made in the U.S.A., these squares are durably designed to provide a life time of learning and fun! Set includes eighteen squares.</p>	1
	<p>Back to Back Learning Kit - Patterns 19-62063</p> <p>3 years & up. The ability to recognize and extend a repeating pattern is important for math, but also crucial for early reading (think of spelling patterns!). With this kit and the related activities, your child will learn to identify, create, and extend patterns. These skills lay important foundations for school readiness. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>Spanish Words Embedded into Stories Book Set (Set of 8) - Paperback 19-73219</p> <p>3 years & up. Children will delight in the use of both Spanish and English words throughout these books. Set of 8 paperback books.</p>	1
	<p>Back to Back Learning Kit - Opposites 19-62079</p> <p>3 years & up. Children are naturally curious about things that are alike and different in their world. Help your child develop an understanding of what "opposite" means while applying the concept to everyday activities. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. This kit supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together. Kit includes a clear vinyl backpack and bilingual activity cards. Contents may vary.</p>	1
	<p>Back to Back Learning Kit - Measuring 19-62059</p> <p>3 years & up. Explore the tools and vocabulary of measurement that is all around us. Learning the broad concepts of measurement, volume, and size will provide your child with a knowledgeable advantage in math. With this kit and the related activities, your child will practice measuring with standard units (feet, inches) and non-standard units (foot, unit cubes). Children will use the language of measurement while developing an understanding of spatial and size relationships. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. This kit supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together. Kit includes a clear vinyl backpack and bilingual activity cards. Contents may vary.</p>	1

Dual Language Learners

Image	Description	Qty
	<p>Back to Back Learning Kit - Life Cycles 19-62068</p> <p>3 years & up. Children are fascinated with nature, both with plants and animals. This kit and the related activities will explore the natural world while building the important skills of scientific inquiry: asking, observing, experimenting, and drawing conclusions. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. This kit supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together. Kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>Back to Back Learning Kit - Incredible Insects 19-62060</p> <p>3 years & up. Children are fascinated with (and sometimes afraid of) bugs! This kit and the related activities will introduce your child to some common characteristics of insects. Be cautioned! Your child may turn into a Bug Collector! Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. This kit supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together. Kit includes a clear vinyl backpack and bilingual activity cards. Contents may vary.</p>	1
	<p>Back to Back Learning Kit - You Are What You Eat 19-62062</p> <p>3 years & up. Children are never too young to build an understanding of personal health. Together with your child, learn to identify healthful foods, recognize food groups, and increase awareness of healthy nutritional choices. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>Back to Back Learning Kit - Counting & Correspondence 19-62064</p> <p>3 years & up. Counting is more than reciting numbers that have been memorized in sequence. This kit and the related activities will help develop an understanding that numbers represent sets of objects and each number matches one object in a set. Being able to match or pair items one-to-one is an important concept for math readiness. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. This kit supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together. Kit includes a clear vinyl backpack and bilingual activity cards. Contents may vary.</p>	1
	<p>Back to Back Learning Kit - Sorting 19-62057</p> <p>3 years & up. Learn to recognize similar attributes among objects as an important prerequisite to both math and reading. Build kindergarten readiness by gaining skills of sorting items (such as shirt, chair, and pencil) into broader categories (such as clothing, furniture, and writing tools). Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. This kit supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together. Kit includes a clear vinyl backpack and bilingual activity cards. Contents may vary.</p>	1
