	<p>NC-88459 Bilingual Early Math Board Books (Set of 5)</p> <p>Share early concepts in English and Spanish with vivid true-to-life images.</p>	1
	<p>17-62057 Back to Back Learning Kit - Sorting</p> <p>3 years & up. Learning to recognize similar attributes among objects is an important prerequisite to both math and reading. Gaining skills in sorting items (such as shirt, chair, and pencil) into broader categories (such as clothing, furniture, and writing tools) builds readiness skills for kindergarten. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>17-62059 Back to Back Learning Kit - Measuring</p> <p>3 years & up. The tools and vocabulary of measurement are all around us. Understanding the broad concepts of measurement, volume, and size will give your child a head start in math. With this kit and the related activities, your child will practice measuring with standard units (feet, inches) and non-standard units (his own foot, unit cubes). He will use the language of measurement, and will develop an understanding of spatial and size relationships. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1

	<p>17-62064 Back to Back Learning Kit - Counting & Correspondence</p> <p>3 years & up. Counting is more than reciting numbers that have been memorized in sequence. This kit and the related activities will help develop an understanding that numbers represent sets of objects, and that each number matches one object in a set. Being able to match, or pair, items one-to-one is an important concept for math readiness. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>17-62063 Back to Back Learning Kit - Patterns</p> <p>3 years & up. The ability to recognize and extend a repeating pattern is important for math, but also crucial for early reading (think of spelling patterns!). With this kit and the related activities, your child will learn to identify, create, and extend patterns. These skills lay important foundations for school readiness. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>86-73522 Bilingual Board Book Assortment Set (Set of 8)</p> <p>12 months - 4 years. Each of these bilingual stories introduce language and learning to young children. These books are noted for their educational value, delightful photos, and wonderful illustrations. This set is a great addition to your classroom library. Set of 8 board books.</p>	1
	<p>17-62056 Back to Back Learning Kit - Fabulous 5 Senses</p> <p>3 years & up. Explore the wonder-filled world of sensory experiences! Your child will focus on his or her own senses (hearing, seeing, smelling, tasting, and touching) while exploring the environment, and will learn how we depend upon our senses to learn about the world around us. Includes hands-on manipulatives, books, and a selection of related activities to optimize the learning experience. Supports parent involvement and early learning through a variety of interactive and engaging activities. An ideal way for teachers and families to enrich children's learning experiences together -- back to back! Each kit includes a clear vinyl backpack and bilingual activity cards.</p>	1
	<p>86-71849 Animals All Around Cloth Book Set (Set of 4)</p> <p>3 months & up. These soft cloth books feature whimsical images of animals that are sewn with bright and colorful fabrics and patterns. Machine washable. Set of 4 cloth books.</p>	1
	<p>86-30776 102 Children's Songs (Set of 3)</p> <p>A CD set with over 3 hours of traditional and original children's songs. The 3 CD set includes songs that teach colors, shapes, letters, numbers, manners and more. Some of the favorites include: The ABC Song, B-I-N-G-O, Eensy Weensy Spider and Hickory Dicky Dock. Also includes marches, songs about feelings and safety.</p>	1
	<p>86-93097 Sing-A-Song Bilingual Board Book Set (Set of 4)</p> <p>12 months & up. Sing four popular rhymes in English and Spanish. Set of 4.</p>	1
	<p>86-87837 Hand Puppet Book Set 1 (Set of 2)</p> <p>3 months & up. Soft and textured finger puppets and simple rhyming stories will bring giggles to babies and toddlers alike. Babies can focus on the bright colors, tactile exploration, and pointing out images. Toddlers will start looking at pictures and text and build listening and language skills. Set of 2.</p>	1
