	<p>57-91614 Diary of a Wimpy Kid Book Set (Set of 4)</p> <p>Grades 3 &amp; up. Reluctant and enthusiastic readers will be sucked into Greg <b>Heffley's</b> world with abandon. The combination of hilarity, illustrations, and everyday antics make this set a must-have for any classroom! Middle school student Greg <b>Heffley</b> takes readers through an academic year's worth of drama. Greg's mother forces him to keep a diary ("I know what it says on the cover, but when Mom went out to buy this thing I specifically told her to get one that didn't say 'diary' on it"), and in it he loosely recounts each day's events, interspersed with his comic illustrations. Kinney has a gift for believable preteen dialogue and narration (e.g., "Don't expect me to be all 'Dear Diary' this and 'Dear Diary' that"), and the illustrations serve as a hilarious counterpoint to Greg's often deadpan voice.
