

2021 Quality Rated Assessment Options

The following 2 temporary alternate rating options (TARO) are available for programs who are pursuing their initial rating.

Option A

Portfolio Only

Submit portfolio and maximize points to earn a 1-year rating for up to 1 star.

Option B

Portfolio

QRVP

Submit portfolio and complete 4 topics in the Quality Rated Virtual Process (QRVP). QRVP Topics focus on continued quality improvement and include 1) Schedules and Transitions, 2) Nurturing Relationships, 3) Impactful Interactions, and 4) Intentional Teaching. Scores from the portfolio and the QRVP will be combined to allow programs to earn a 2-year rating of up to 2 stars. Programs that earn enough points to rate but do not complete all topic assignments earn a 1-year rating. To be eligible for this option, programs must have children physically in attendance at their facility in order to capture and submit evidence of daily classroom practices.
