

2021 Required Reassessment Options

The following 3 temporary alternate rating options (TARO) are available for programs who are pursuing renewal of their Quality Rating in 2021.

Option A

Portfolio Only

Submit portfolio and maximize points to earn a 1-year rating for up to 1 star.

Option B

Portfolio

QRVP

Submit portfolio and complete 4 topics in the Quality Rated Virtual Process (QRVP) to earn a 2-year rating of up to 2 stars. Programs that earn enough points to rate but do not complete all topic assignments earn a 1-year rating. To be eligible for this option, programs must have children physically in attendance at their facility in order to capture and submit evidence of daily classroom practices.

Option C

Portfolio

QRVP

Live Observation-Virtual Experience

Submit portfolio, complete 5 Quality Rated Virtual Process (QRVP) topics, and complete a live observation-virtual experience (LO-VE) to earn a 2-year rating of up to 3 stars. Programs that earn enough points to rate but do not complete all topic assignments earn a 1-year rating. To be eligible for this option, programs must have children physically in attendance at their facility in order to capture and submit evidence of daily classroom practices.
